Your impact is profound — propelling the aspirations of our students and securing Drexel's future as an innovative leader in higher education. The work goes on — your continued partnership can create more opportunities and change more lives.

## Campaign Results

As the new academic year begins, your support for Campaign priorities such as scholarships and professorships, co-op opportunities, research and curricular innovation has propelled Drexel's success and impact. Loyal donors fueled the University's capacity to prepare students for academic and professional success, create solutions to urgent societal challenges, and affect positive change for communities in Philadelphia and beyond.

To date, supporters — including more than 42,000 alumni — have helped advance Drexel through donations, volunteering, mentoring students and attending events.
